

# Only in America

Brooks and Dunn

Sun coming up over New York city  
School bus driver in a traffic jam  
Starin' at the faces in her rearview mirror  
Looking at the promise of the Promised land  
A one kid dreams of fame and fortune  
One kid helps pay the rent  
One could end up going to prison  
One just might be president

Chorus:

Only in America  
Dreaming in red, white, and blue  
Only in America  
Where we dream as big as we want to  
We all get a chance  
Everybody gets to dance  
Only in America

Sun going down on an L.A. freeway  
Newlyweds in the back of a limousine  
A welder's son and a banker's daughter  
All they want is everything  
She came out here to be an actress  
He was a singer in a band  
They just might go back to Oklahoma  
And talk about the stars they could have been

<Chorus>

<Chorus>

Yeah, only in America  
Only in America  
Yeah, they dream in red, white, and blue  
Yeah, we dream as big as we want to  
Only in America

America  
Only in America
